BEST MAINS CABLE
CLEARER AUDIO
COPPER-LINE ALPHA**BEST MAINS CABLE****6 CLEARER AUDIO COPPER-LINE ALPHA**
£35 (1m)

If you don't believe a mains cable can make a difference to a component's performance, pick up a Copper-line Alpha – you'll be amazed at the results. Music immediately sounds more open, dynamic and expressive, with greater punch and solidity through the bass and more detail in the treble. Even picture quality can be improved with one of these, making it one of the most cost-effective upgrades you can buy.
